Your Ref. EPFL Ref. no. 6.1822
I&P Ref. P182637/TB/MR
Date June 17, 2025

Dear Mr. Grisi

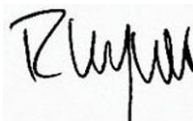

We are enclosing the Letters Patent document of the Patent for which all particulars are given below. Please note, that the national patent office has discontinued the practice of furnishing the Patent Certificates in hard copy. We entered your instructions relating to renewal into our electronic file.

Your case : 6.1822 Miniaturized MR device
Country : USA
Priority(ies) : International Registration PCT/IB 2018/057348 filed September 24, 2018
Application No. : 17/278.792 filed September 20, 2019
Patent No. : **12.306.122**
Grant date : **May 20, 2025**
Patentee(s) : Ecole Polytechnique Fédérale de Lausanne (EPFL)
Duration : September 20, 2019 to September 5, 2042
Annuities : Next fee due : 4th annuity on November 20, 2028
The protection period (20 years from application date) was extended by 1081 days due to the length of the examination procedure.

Kind regards,
Isler & Pedrazzini AG
